The ethical sales & communication implant programme

This is the only programme in the world which is unique to dentists who want to increase Implant Treatments. You will discover the secrets, methodology and watch live consultations from Bill Schaeffer and Stephen Jacobs who place over 900 implants a year between them.

 **MANCHESTER**

 **18.10.2021**

ASK YOURSELF THESE 4 QUESTIONS...

- Would you like more of your Implant Treatment Plans accepted and paid for by your patients?
- Do you feel that your treatment is worth more than you are getting paid?
- Have you ever found yourself thinking of one fee in your head, but by the time it comes out of your mouth you have reduced it?
- Are you frustrated that you are unable to deliver the type of dentistry that you would love to do?

DURING OUR COURSE TOGETHER YOU WILL...

- Build instant rapport with your patients - get them to like you instantly
- Discover the eight questions that must be asked in every consultation in the correct order, that will enable you to create more Implant opportunities
- Understand the six emotional reasons why patients buy Implant Treatments
- Speak the language that excites the patient and encourage them to take action NOW - Eliminate waffle and technical jargon forever
- Discover 15 strategies which enable you to be more confident discussing your fees, so that you can achieve the income your skills and services deserve
- Develop a five step approach to overcome all your patients' concerns and objections in a very ethical manner
- Feel more comfortable discussing large Implant Treatment plans. You will never undercharge again
- Be confident in gaining commitment from your patients. Make closing easy and seamless
- Communicate with self-confidence, clarity and re-assurance
- Learn how to ask for referrals and build a pipeline of the right type of patients through your door
- Create a world-class patient journey in your dental practice
- Develop a more positive attitude of success and accomplishment
- How to stand out from your competition wherever they may be

TERMS & CONDITIONS

1. Registration

The registration must be in writing (e-mail or registration page) and is binding. Registrations will be processed in the order of their receipt.

2. Confirmation of registration

Written confirmation of registration and invoice will be sent prior to the event via e-mail.

3. Payment of fees

Events that incur a fee will be billed showing the amount of VAT. Fees are payable by invoice, credit card or paypal. Fees shall be stated exclusive of VAT. Course costs do not include travel, accommodation or other non-tuition related costs except stated otherwise.

4. Deregistration of participants/substitutes

- Due to planning and upfront obligations, the following rules apply:
- Deregistration 90 days before the event will lead to 25% fee, rest will be refunded.
- Deregistration 60 days before the event will lead to 40% fee, rest will be refunded.
- Deregistration 30 days before the event will lead to 80% fee, rest will be refunded.
- Deregistration 14 days before the event will lead to 100% fee.
- A substitute can be registered. Deregistrations and transfers to substitutes must be set out in writing.

5. Cancellation by TRI® Dental Implants

If an event cannot be held (e.g. due to minimum number of participants not being reached or non-availability of the speaker), TRI® Dental Implants reserves the right to cancel the event. Any fees already paid will be reimbursed. No claims to compensation shall be permitted.

6. Image Rights

Photos and videos taken during our events and congresses can be published on our social media channels and website.

7. Restrictions due to COVID-19

If a country is listed in the Covid-19 Ordinance on International Passenger Transport Measures by the respective government, where the course will be held, the paid fee for the course will be reimbursed. Travel and accommodation expenses will not be refunded and no claims to compensation shall be permitted.

The term applies vice versa if the country in which the course takes place is listed in the Covid-19 Regulation on international passenger transport measures of the government in which the participant is resident.
